UC DAVIS SVECCS 11TH ANNUAL SYMPOSIUM

JANUARY 12-13, 2008
GLADYS VALLEY HALL

On the Cutting Edge

Management and Monitoring of the Surgical ER & ICU Patient

KEYNOTE – DR. WEISSE

Dr. Chick Weisse graduated in 1998 from the University of Pennsylvania with a VMD degree. He completed both an internship in Small Animal Medicine &

Surgery and a residency in Small Animal Surgery at Penn; he is a Diplomate of the American College of Veterinary Surgeons. Dr. Weisse is presently an Assistant Professor in both Surgery and Radiology at Penn. Since 2002, he has been the Director of Penn's Interventional Radiology Service. Dr. Weisse has spoken extensively on subjects pertaining to interventional radiology to both national and international audiences.

INTERACTIVE WORKSHOPS

Sunday afternoon's sessions will consist of small interactive workshops led by our specialists. Please indicate on your registration which sessions you would like to attend; each attendee will be able to attend two.

1. Assessment of Acid-Base Status: Beyond the Chem Panel
Kate Hopper BVSc, DACVECC
2. Electrocardiograms Made Ridiculously Simple
Jamie Burkitt DVM, DACVECC
Matt Mellema DVM, PhD
3. Using Blood Gas Analysis to Its Fullest Potential
Karl Jandrey DVM, DACVECC
4. Cardiopulmonary Resuscitation
Janet Aldrich DVM, DACVECC

QUESTIONS

If you have any questions or concerns, please don't hesitate to contact us at (267) 456-3625 or ucdsveccs@gmail.com.

FEES

Fees for this year's symposium are:

| | |
|----------------|--------------|
| Two days | |
| DVM | \$225/person |
| RVT/Tech | \$150/person |
| 1 DVM + 1 Tech | \$350 total |
| Add'l Techs | \$125/person |
| One day | |
| DVM | \$125/person |
| RVT/Tech | \$100/person |

This fee includes registration for the symposium, one copy of symposium proceedings per attendee, CE credit, and breakfast and lunch. Additional copies of proceedings may be purchased for \$20 each.

CE CREDIT

Participants who attend both days will be awarded 12 CE units. Those who attend Saturday only will receive 7 CE units, and those who attend Sunday only will receive 5. CE units have been approved by the California Veterinary Medical Association.

LOCATION

We are happy to announce that this year's symposium will again take place at Gladys Valley Hall, the new veterinary medical teaching facility located in the Health Sciences Complex on the UC Davis main campus.

Directions:

From I-80, take Highway 113 N. Exit at Hutchinson Dr. (UC Davis exit), and make a right onto Hutchinson Dr. Make a right at Health Sciences Dr. (1st stoplight), and go straight at the stop sign into the parking lot. Follow the signs to Gladys Valley Hall.
