## SYMPOSIUM GOALS

Designed to meet the unique needs of small animal clinicians, the Fourth Annual Veterinary Neurology Symposium features the latest diagnostic techniques, comprehensive information about common disorders, beneficial case discussions, and interactive workshops with strategies for the application of leading neurological methods to the clinical environment.

## SYMPOSIUM TUITION

Two day tuition is \$295 and one day tuition is \$195 before June 30, 2007. After June 30, 2007 the two day tuition is \$395 (one day tuition remains at \$195). Symposium tuition includes: renowned UC Davis speakers, up to 16 hours of continuing education credit, program syllabus, continental breakfast, lunch, and afternoon refreshments. Parking is free.

## CE CREDIT QUALIFICATION

The symposium is worth 16 hours of scientific continuing education credit.

## EXHIBITS

Symposium participants are invited to explore our Symposium Exhibits during registration, refreshment breaks, and lunch. Symposium sponsor's representatives will be available to answer your questions and provide information about products and services.

## LODGING

A block of rooms have been reserved at a discounted price at the hotels listed below: When making lodging reservations mention you are attending the Veterinary Neurology Symposium. Make reservations early to receive the discounted rate.
