Veterinary Products Laboratories  
Pfizer  
Sylvan Veterinary Hospital  
Lafeber  
ARAV  
Lloyd Inc.  
Franklin-Williams

*Educational Activities Unrestricted Donor Account:*

None

Instructions: any time that money from either of these accounts will be used to fund a student event, please recognize all donors at your event. Eventually SCAVMA will provide a banner listing all donors, which you may hang at the event. At this point, please include all donors in your event announcement, and SCAVMA will inform you when we have a banner. In addition, you may hang a banner from a particular company, but please refrain from using language such as “\_\_\_\_\_ event has been sponsored by the X company.”

Instead you may say “\_\_\_\_\_event has been sponsored by funding from the Student Activities Unrestricted Donor Account.” We would like to recognize the following companies who have donated to the account: \_\_\_\_\_” (please insert the most current list of donors, which can be obtained from SCAVMA).

In the future SCAVMA will be working with the Office of Student Programs and the SVM Healthcare Vendor Relations Policy Committee to create levels of recognition for account donors such as a gold, silver and bronze levels based on the amount of funding. We welcome any suggestions you may have regarding company recognition that is in accordance with this policy.
