

UC Davis Ranked #1 Veterinary School in the World

## WILDLIFE & EXOTIC ANIMAL SYMPOSIUM

**SATURDAY & SUNDAY, APRIL 9-10, 2016**

**Gladys Valley Hall, UC Davis Campus**

*Webinar option will be available*

This year's symposium includes information about wildlife conservation as well as zoo nutrition, reproduction of endangered species and reptile diagnostic endoscopy and endosurgery. Participants can choose lectures in either track on each day as well as enjoy the information from our plenary speakers:

- Dr. Stephen Divers: Endoscopy in Zoological Research and Conservation
- Dr. Valarie Tynes: Repetitive Behaviors in Captive Exotics

**CE credits: Up to 16 hours**
