

# Join Us!

## Staff & Faculty Giving

**This is our first employee campaign! This year we hope you will join us and help us meet our goal of increased participation. Remember, it's participation that counts, and every gift, no matter the size, makes a difference!**

By making your gift you are making a difference by helping to further the school's mission of advancing the health of animals, people and the environment.

### Benefits of Employee Giving:

- Recognition on website and social media
- Special Communication from the Dean
- Employee Giving lapel pin

**Find Your passion and make an impact!**

**UC DAVIS**  
VETERINARY MEDICINE

**As a staff and faculty member of the School of Veterinary Medicine, you have the opportunity to make a lasting impact by giving to a program that is most meaningful to you. Below are just a few opportunities you can support.**
