

FedEx Online Reduced Price Program* Enrollment Form

A negotiated contract between FedEx and the Real-time PCR Core Facility allows our clients to receive University bulk discounted pricing for FedEx Priority Overnight shipping. Join our FedEx reduced price program and **save up to 50% on shipping costs** compared to standard listed rates when sending packages from anywhere in the United States to the Real-time PCR Research and Diagnostic Core Facility!

Why enroll in the FedEx reduced price program?

- 1.) Enrollment is free!
- 2.) Using the online FedEx shipping website is an easy way to create shipments, and we provide detailed instructions to make it even easier!
- 3.) You pay nothing upfront for shipping. We will bill your clinic for shipping when we bill you for our PCR services.
- 4.) Not only will you be able to use your online account to create shipments, but you can also print shipping labels, sign up to receive tracking notifications via email, schedule a pickup (or find the nearest drop off location), and view weekly/monthly shipping summaries.

You're three steps away from saving up to 50% on FedEx shipping costs!

Step 1 Fill out the contact information below:

Contact Person: _____

Clinic or Hospital: _____

Address (billing): _____

Phone: _____

FAX: _____

Email address: _____
(of contact person)

Step 2: Fax this Enrollment Form to the Real-time PCR Research and Diagnostics Core Facility at 530-754-6862.

Step 3: Within one business day we will fax you your clinic's UserID, Password, and instructions so you can create shipments online anytime!

*** The FedEx reduced price program can only be used to ship packages to the Real-time PCR Core Facility. Abuse of the program by shipping elsewhere will lead to immediate deactivation.**
