

## New Faculty Members

John Edman

---

### John Edman

*Director, Center for Vector-Borne Disease Research; professor, entomology*

#### Education

MS, University of Nebraska, 1961  
PhD, Kansas State University, 1964

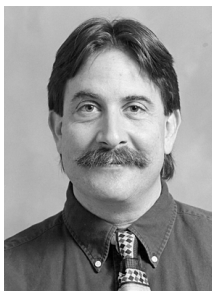

#### Experience

Florida Medical Entomology Laboratory, University of Florida, 1964–75

University of Massachusetts, 1975–99

#### Specialty

Medical entomology; behavior and ecology of blood-feeding insects, especially in terms of their role in the transmission of human and animal pathogens and parasites

Stuart Meyers

---

### Stuart Meyers

*Assistant professor, anatomy, physiology and cell biology*

#### Education

MS, Oregon State Univ., 1979  
DVM, Michigan State Univ., 1985  
Residency, Texas A&M, 1987–89

Postgraduate research, UC Davis, 1991–95

PhD, UC Davis, 1995

#### Experience

University of Pennsylvania, School of Veterinary Medicine, 1995–99

#### Specialty

Equine and large animal male reproductive dysfunction and infertility; diplomate, American College of Theriogenologists

---

### Cheryl London

*Assistant professor, surgical and radiological sciences*

#### Education

DVM, Tufts University, 1990  
Residency, University of Wisconsin, 1992–94

PhD, Harvard University, 1999  
Postdoc, Brigham and Women's Hospital, Boston

#### Experience

Tufts University, 1995–98  
Angell Memorial Animal Hospital, Boston, 1998–99

#### Specialty

Veterinary oncology; diplomate, American College of Veterinary Internal Medicine

Carol Cardona

---

### Carol Cardona

*Assistant Cooperative Extension specialist; assistant veterinarian, population health and reproduction*

#### Education

DVM, Purdue University, 1990  
Residency, CVDLS, 1990–92  
PhD, Michigan State Univ., 1997  
Postdoc, Cornell University, 1998–99

#### Specialty

Molecular pathogenesis of infectious diseases of poultry; diplomate, Amer. College of Poultry Veterinarians

Leslie Lyons

---

### Leslie Lyons

*Visiting assistant professor, population health and reproduction*

#### Education

PhD, University of Pittsburgh, 1991

#### Experience

Genetics Laboratory of Genomic Diversity, National Cancer Institute, Frederick, Maryland

#### Specialty

Veterinary genetics

Rocio Crespo

---

### Rocio Crespo

*Assistant professor of clinical diagnostic pathology*

#### Education

MSc, Univ. of Guelph, Canada, 1993  
DVSc, University of Guelph, 1996  
Residency, UC Davis, 1996–98

#### Experience

California Veterinary Diagnostic Laboratory System 1998–present

#### Specialty

Poultry diagnostics; diplomate, Amer. College of Poultry Veterinarians

Bruce Charlton

---

### Bruce Charlton

*Assistant professor of clinical diagnostic microbiology*

#### Education

DVM, Colorado State University, 1984  
PhD, UC Davis, 1998

#### Experience

California Veterinary Diagnostic Laboratory System, 1987–present

#### Specialty

Poultry diagnostics, poultry diseases; diplomate: American College of Veterinary Microbiologists, American College of Poultry Veterinarians
