Instructions for sample submission - Diagnostic Real-Time PCR for KHV

Dr. E. Scott Weber, VMD, MSc (Hons) Aquatic Vet Sci/Pathobiology

U.C. Davis VMTH
Central Lab Receiving, Room 1033
1 Garrod Drive
Davis, CA 95616-8747

Sample collection information:
1. Keep sample cool or frozen at all times to preserve DNA integrity and accuracy of PCR testing.
2. Tissue – 25-100 mg of fresh or frozen tissue with no preservative

Shipping Instructions:
1. All shipments must comply with the International Air Transport Association (IATA) Dangerous Goods regulations. Please consult the IATA website http://www.iata.org or the FedEx Dangerous Goods/Hazardous Materials Hotline at 800.463.3339 (press 81) for further information.
2. Please include a sample submission form with each shipment (next page).
3. Ship overnight, on ice, in Styrofoam container (Do not ship on Friday as the laboratory is not open on the weekends)
4. Use FedEx or UPS (or other express courier) - DO NOT use USPS
