Colleagues, alumni and friends of the school are invited to “take a seat” in the final stage of the campaign to expand the VMIF and upgrade its instructional resources.

Handsome plaques will permanently recognize donors who contribute a tax-deductible gift of $1,000. Their name and brief message will be inscribed on a desk in one of the VCA Antech Auditoriums. For a contribution of $1,500, their name will be inscribed on a desk in the popular “back row.”

All gifts in support of the school and its students will be remembered and appreciated for years to come.
