Happy Memories, Forever Friends

From service dogs to a childhood best friend to a senior companion, our animal friends provide happy memories to be preserved and shared.

The Forever Friends Wall in Angel’s Courtyard at the UC Davis Center for Companion Animal Health, offers a unique way to honor the special relationship you have with your pets. Personalized plaques are woven into the whimsical artwork that creates an everlasting tribute to your beloved friend.

By purchasing a plaque, you support the Center for Companion Animal Health’s mission of improving the health of small companion animals through academic studies into diseases affecting dogs, cats and other small pets.
