Instructions for shipping blood samples

1. Collect at least **10 mL** of blood in an EDTA tube (purple-top) or ACD tube (yellow-top)
2. If samples cannot be shipped immediately, they can be refrigerated for **24 hours**
3. Send in a cooler with ice packs via FedEx **overnight**.

NOTE: Label the shipping box "to be refrigerated upon arrival," and include the form on SHEET 2.

4. Contact our lab manager, Janel Peterson, at jamerkel@ucdavis.edu

Please include the following information:

Your name & organization

Contact information

The number and kind of samples you are submitting (spreadsheets are preferred for multiple samples)

The tracking number of your shipment

5. Please Ship to the following Address:

**University of California - Davis
Dr. Carrie Finno / VM:PHR
1285 Veterinary Medicine Drive
Vet Med 3A, Rm #4206
Davis, CA 95616**

Please contact us if you have any questions or concerns!

Finno Laboratory
 University of California, One Shields Avenue
 Davis, CA 95616 (530) 752-2632
cjfinno@ucdavis.edu

Please print all information clearly.
