

1982 SATURDAY CELEBRATION DINNER

Dear Class of 1982,

It is time for our 40th Class Reunion! We can't be that old, right? Regardless, it is happening the weekend of April 8 and 9 (Friday and Saturday) in Davis, CA. We apologize for the late notice on these plans. UC Davis was still deciding in January whether it would be safe to hold the reunion.

There are planned events by the vet school starting Friday evening at 5PM with a TGIF BBQ dinner at Gladys Hall.

Saturday will include a continental breakfast plus class photos, catered lunch, tours and a lecture. Click the registration link for more information and accommodations.

Registration for the UCDSVM events cost is \$175pp...but it may be possible to arrange a "piecemeal price" through the school itself.

On Saturday evening there will be a separately planned dinner for our class. We would like to book at the Cattlemen's restaurant in Dixon, just off I-80. It will be a large room, with a buffet and a no-host bar. The start time is 7:30pm. The cost will be \$75/person. Entree choices include BBQ beef ribs, Salmon, & Veggie Lasagna. Any monies left over (after food costs, tax and tips) will go directly to our class scholarship fund, so if you should feel inclined to donate more to the class endowment, we would love that! Our endowment provides close to \$5000/year for a deserving vet student recipient.

Please reserve your restaurant reservation by sending your money electronically to Jon via Venmo "Jon-Wolfson-4" (preferred) or Zelle "jnwlfsn@gmail.com". If you can't manage this on your own, ask a kid! But if you don't know any kids, then send a check made out to Jon at his address 5201 Sutter Park Way, Sacramento, CA 95819-3165.

It is only 4 weeks away, so we REALLY need a head count asap, or at least BEFORE March 20th for planning purposes. Please send in your reservations to Jon as indicated above.

Even if you want to just visit Davis and can only make the class dinner, please COME! We are looking forward to this 40th year gathering of the tribe!

Cheers!

The Usual Suspects
