Summary

From STAR Conditions and Expectations:

- **ALL** students are required to complete a poster and present it at the end of summer STARS in Science poster presentation event usually held the Friday of the second week of Fall semester.
- Students must be aware that individual funding sources that support the STAR Program come with their own criteria for presentation of research findings (e.g., poster, oral presentation, attendance at a national conference/meeting, etc.).
- Submit a one-page written summary of the funded research project to the STAR Program no later than September 2nd 2022. This summary can be sent as an e-mail attachment in Word format to svmstarprogram@ucdavis.edu.
