

Class of 2029 Profile

Overview

Qualified Applicants	Offered Interview	Class Admitted
2158	240	154

The UC Davis School of Veterinary Medicine welcomes the Class of 2029! We received a record number of more than 3,000 applications from the Veterinary Medical College Application Service this year. Of those, 2,158 completed the UC Davis application requirements. A deferred student from the Class of 2028 will be joining the Class of 2029 with at total class size of 155.

A record high 57% of the incoming class are first generation college students. With ages ranging from 19-40 (average age 23), the new DVM students come from a variety of backgrounds.
