

- 
- POSITION AVAILABLE:** Associate/Full Professor of Veterinary Orthopedics (Tenure Track Position)
- SALARY:** Dependent on qualifications and experience.
- QUALIFICATIONS:** Required qualifications: DVM/VMD degree or equivalent; advanced training in research; documented independent funding and research in veterinary orthopedics; experience and publications in biomechanics; demonstrated aptitude and experience in teaching.
- Preferred qualifications: PhD or equivalent degree; board certification in a veterinary specialty; relationship with the horse racing and/or performance horse industries; experience in gait analysis; documented lab management skills.
- Must possess excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team atmosphere.
- RESPONSIBILITIES:**
- Research: Documentation of a creative, focused and productive basic and clinically-oriented research program in veterinary orthopedics is a fundamental and indispensable requirement of the position, including publication of results in professional/scientific journals. Individual will provide leadership in directing orthopedic research across species.
- Teaching: Responsibilities include: 1) participation in lectures, discussion sessions and laboratories in the DVM professional curriculum in the area of functional musculoskeletal anatomy/biomechanics; 2) participation and mentorship in the graduate academic programs (MS and PhD) of the campus; and 3) mentorship of clinical graduate students (residents) in research and/or participation in the graduate clinical training program if applicable. The position does not include a clinical effort assignment in the Veterinary Medical Teaching Hospital.
- Service: University and public service through committee work, participation in professional organizations, continuing education and other appropriate means is expected.
- APPLICATION PROCESS:** To receive fullest consideration, applications must be submitted by **January 2, 2023**. Position is open until filled. To begin the application process, interested applicants should register online at <https://recruit.ucdavis.edu/apply/JPF05361> and submit the following materials: 1) a letter of intent outlining special interest in the position, overall related qualifications, and experience and career goals; 2) a curriculum vitae; 3) a statement of didactic teaching philosophy; 4) a statement on research plan; 5) a statement summarizing experience and professional contributions in the area of equity and diversity; 6) the names and addresses of four professional references; and 7) authorization to release information form.
