

New AGFA Ordering Process – Coming Soon

Heads up: Our AGFA ordering process is changing soon to align with the new ASI modalities. Please review the new format below so you're ready.

Special thanks to Jason Peters for leading this update.

How to Place Orders:

1. **Modality** – CT, MR, DX, US, RF
2. **Clinic** – SA (Small Animal) or LA (Large Animal)
3. **Procedure** – desired exam

**CAPE (CEAMS) procedures follow SA definitions.*

Examples:

- CT SA skull with contrast
- CT LA skull with contrast
- DX LA abdomen
- MR SA brain

Note: Some room names in AGFA have also changed. Please double-check when ordering.
