

OFFICE OF RESEARCH

1850 RESEARCH PARK DRIVE
DAVIS, CALIFORNIA 95618

April 20th, 2020

Dr. Patricia Pesavento
Professor
Pathology, Microbiology and Immunology
School of Veterinary Medicine

Dear Professor Pesavento,

Congratulations on your proposal being selected for funding under the COVID-19 Research Accelerator Funding Track (CRAFT) Program.

Your project entitled "*An ex vivo rhesus macaque respiratory explant model to study cellular targeting and the pathogenesis of SARS-CoV-2*" was selected for funding following a peer review process and assessment. The outcomes of the program will be announced via campus-wide press release.

Your award is being funded by contributions from Office of Research, the Provost, University of California Office of the President, and the Dean of the School of Veterinary Medicine.

Funds will be distributed directly from Office of Research. In preparation for the transfer of funds to your department, please have your departmental financial analyst contact Office of Research Financial Analyst Dorothy Chan (dzchan@ucdavis.edu) for the UC fund source for this award in order to create a new account. The new account should be used exclusively to record expenditures and receiving funding related to the approved proposal. All funding should be used within 9 months. Any overspending in the account will be the responsibility of the managing department.

Congratulations again on your award, we look forward to working with you to support your COVID-19 research efforts.

Sincerely,

Prasant Mohapatra
Vice Chancellor for Research
Distinguished Professor, Computer Science

Cc:
Paul Dodd, Associate Vice Chancellor for Interdisciplinary Research & Strategic Initiatives
Michael Lairmore, Dean, SVM
Mary McNally, Exec Assist Dean
