Class of 1969 Semi-Centennial Reunion

The “Class of 69 Committee” hopes that you can join your class to celebrate our 50th reunion in Davis. This is simply a “heads up” so that you and yours can start planning.

The schedule of events is evolving, but festivities begin at noon for lunch on Friday, October 25 at the School, followed by a VIP walking tour and Alumni BBQ. On Saturday, we will have brunch with the Dean at the School, plus activities leading up to a Rose Ceremony Reception to honor our departed colleagues, followed by the 50th Class Dinner. Steve Barthold will host a getaway brunch on Sunday morning at his home (1915 Imperial Avenue, Davis). We have set up a class website at <https://www.vetmed.ucdavis.edu/alumni/reunion-celebrations/1969>. It will provide updated information as plans evolve. The website will have links to register, make hotel reservations, and provide updated contact information. Even if you can't make it, we hope that we can obtain contact information from you to keep you up to date.

The Committee wants to put together a “Memory Book” with photos and short bios of everyone. We are still planning the format, but in the meantime, dig up a current mugshot and think about what you might want to say about yourself. The School can scan and return photos, if you wish.

We have reserved rooms at the UC Davis Hyatt Place Hotel, which is on campus and within walking distance of downtown. It is located at 173 Old Davis Road Extension. Reservations # 530-756-9500, or via the BOOKING LINK on the class website. Be sure to note group block “Vet School Reunion”. Buses will take us to various venues to and from the hotel and events.

We'd like to get started by obtaining, updating or verifying your most recent contact information, including mailing address (hopefully this letter got to you), email, and telephone numbers. You can provide information through the website (above), or contact Pilar Rivera in the Dean's Office (perivera@ucdavis.edu). If you contact Pilar, put “class of 1969” in the subject line. We would appreciate hearing from you ASAP!
